

Kingwood High School Band

Parent Volunteer Expectations / Agreement Form

Concession volunteer shifts are very important to the logistical and financial aspects of the band program. Please sign-up for these shifts through your Booster Hub account. All funds made at concessions go directly towards the program's vision of developing independent musicians, effective leaders, and mature individuals. If parents are exempt from volunteering due to serving on the band booster board, they will be communicated with directly from the volunteer coordinator. Please complete the form by scanning the QR code below.
