

KM4B

Hot Weather Uniform

REQUIRED UNIFORM PURCHASE

Hot Weather Marching Khaki shorts must be in hand by our first performance on August 19th. If you have Khaki shorts from previous years, you may continue to use them. However, we are no longer requiring "Lands End Khaki Shorts".

The new guidelines for Khaki shorts are listed below:

- They need to be plain **DARK** Khaki Shorts
- Must be school appropriate
- At least finger tip length with arms by side
- No Cargo shorts are allowed
- No Capris are allowed
- No holes/tears/frayed ends are allowed

If shorts do not meet these guidelines, students will be required to purchase a different pair. After 1 warning, students will not be allowed to perform with the band if khaki shorts are not in uniform.

What have we used in the past?

We have used Lands End's "Plain Front Blend Chino Shorts" in previous years. You may order these shorts online, and will be guaranteed that they will fulfill all of the above requirements.
